

# WMCO/CME WSIB REBATE HEALTH & SAFETY EXCELLENCE PROGRAM

## A GOOD FIT FOR WOOD MANUFACTURING & SUPPLIER COMPANIES!

### THE IDEA

The Health & Safety Excellence Program rewards businesses that incorporate prevention measures into their daily practices. The key idea behind the program is that a health and safety program makes good business sense and helps you to keep your employees safe and healthy

### PERFORMANCE-BASED REWARDS

The Health and Safety Excellence program is a WSIB performance-based rewards program replacing the previous WSIB Small Business, Safety Groups and Workwell programs. This new model provides a clear road map for Ontario businesses to improve workplace health and safety.

### SAFER WORKPLACES

Participants can earn both financial and non-financial rewards and create safer workplaces. Whether you are just getting started or want to optimize systems and processes you already have in place, this program can help you reach your goals.
